3 GOVERNANCE

Corporate Governance Code. The Corporate Governance Code provides that the severance payment will not exceed a sum equivalent to one times annual base salary. This also applies in a situation of a change in control.

Loans

SBM Offshore does not grant loans, advance payments or guarantees to its Management Board members.

3.3.2 2023 MANAGEMENT BOARD REMUNERATION

The Supervisory Board is responsible for ensuring that the remuneration policy is appropriately applied and aligned with the Company's objectives. The remuneration level is determined by the Supervisory Board using a comparison

with Dutch and international peer companies, as well as internal pay ratios across the Company.

REFERENCE GROUP

In order to determine a competitive base salary level and to monitor total remuneration levels of the Management Board, a reference group of relevant companies in the industry (the 'Reference Group') has been defined. Pay levels of the Management Board members are benchmarked to the Reference Group. In the event a position cannot be bench-marked within the Reference Group, the Supervisory Board may benchmark a position to similar companies. For 2023, the Reference Group consisted of:¹⁷

¹⁷ Compared to RP 2022 the reference group has changed. Due to changes such as bankruptcy and delisting, Boskalis, Superior Energy Services and RPS Group are no longer part of the reference group.

In 2023, there were no changes in the base salary of the Management Board members.

PAY RATIO

The pay ratio shows the developments in the annual total remuneration of the Management Board members and the average remuneration on a full-time-equivalent basis of employees of the company.¹⁸ The average total employee and contractor costs per FTE in 2023 was EUR136 thousand.

The pay ratios of each of the Management Board members over the period of 2019 to 2023 are displayed in the following graph.

¹⁸ The pay ratio is calculated as the total accounting costs of remuneration for each of the Management Board members expressed as a multiple of the average overall employee benefit and contractor expenses for a given year (excluding employees working for non consolidated JVs and associates).

1. BASE SALARY

The 2023 and 2022 base salary levels of the Management Board members are shown in the table above: Remuneration of the Management Board.

2. SHORT-TERM INCENTIVE

RP 2022 indicates that for the STI, the performance areas are Profitability, Growth and Sustainability. As the Company now revolves its strategy around the strategic pillars Environment, Social and Governance, the Supervisory Board deemed it appropriate that the STI performance measures can also be linked to these pillars.

The Supervisory Board set the metrics and the detailed targets (reflected as Threshold/Target/Max) for each of these performance areas at the beginning of the financial year. For each of these targets a scenario analysis takes

place to ensure that the targets are suitable, supportive to the strategy and challenging. When conducting scenario analyses and establishing the metrics and detailed targets, the Supervisory Board identifies critical variables and factors that could impact the Company's performance in the relevant performance areas and could influence pay outcomes. Additionally, regular updates are given on the forecasted target realization throughout the year. These

updates are also taken into consideration in the scenario analyses when establishing the targets and detailed metrics at the beginning of the following year.

The following two tables show an overview of the 2023 target realization and the related 2023 STI for the individual Management Board members.

3. VALUE CREATION STAKE

The Supervisory Board decided to grant the Value Creation Stake for 2024 to the Management Board members in accordance with RP 2022. The underpin test as explained in section 3.3.1 was applied to this grant. As per RP 2022, the granted Value Creation Stake vests immediately. The gross annual value for each of the Management Board members is 175% of base salary. The number of shares was based on the four-year average share price (volume weighted) at the date of the respective grant. The cost of the granted Value Creation Stake is included in the table at the beginning of this section 3.3.2. The number of shares vested under the Value Creation Stake can be found in section 3.3.3 of this remuneration report under Conditions of and information regarding share plans.

4. SHAREHOLDING REQUIREMENT MANAGEMENT BOARD

The following table contains an overview of shares held in SBM Offshore N.V. by members of the Management Board at December 31, 2023.

¹ Management Board member since April 6, 2022.

All Management Board members met the share ownership requirement, which is set at an equivalent of 350% of their base salary. Section 3.3.3 contains more information about the (historical) share plans for the Management Board.

5. PENSIONS AND BENEFITS

Management Board members received a pension allowance equal to 25% of their base salary. In case these payments are not made to a qualifying pension fund, Management Board members are individually responsible for the contribution received and SBM Offshore withholds wage tax on these amounts. For the CEO, two pension arrangements (defined contribution) are in place and its costs are included in the table at the beginning of this section 3.3.2.

The Management Board members received several allowances in 2023, including a car allowance, a housing allowance as well as school fees. The value of these elements is included in the table in section 3.3.2 under item Other Benefits.
