With reference to the articles of association, all shareholders are entitled, either personally or by proxy authorized in writing, to attend the General Meeting, to address the General Meeting and to vote. At the General Meeting, each ordinary share with a nominal value of EURO.25 each shall confer the right to cast one (1) vote. Each protective preference share with a nominal value of EURO.25 each shall confer the right to cast one (1) vote, when issued. None of the protective preference shares have been issued to date. Unless otherwise required by law or the articles of association of the Company, all resolutions shall be adopted by an absolute majority of votes. and further conditions of issue, with due observance of the provisions contained in the articles of association. Shares shall never be issued below par, except in the case as referred to in article 2:80 (2) Dutch Civil Code. At the 2024 AGM, the shareholders delegated, to the Management Board, for a period of eighteen months and, subject to the approval of the Supervisory Board, the authority to issue ordinary shares up to 10% of the issued share capital at that time. In addition, authorization was granted to restrict or to exclude pre-emption rights for a period of eighteen months and subject to the approval of the Supervisory Board.

The Management Board may, with the authorization of the General Meeting and the Supervisory Board and without prejudice to the provisions of article 2:98 Dutch Civil Code and the articles of association, cause the Company to acquire fully paid-up shares in its own capital for valuable consideration. 2.1.7 EXTERNAL AND INTERNAL AUDITOR

EXTERNAL AUDITOR

The external auditor of SBM Offshore is appointed by the General Meeting, following proposal by the Supervisory Board after a selection process and recommendation from the Audit Committee with advice of the Management Board. During the 2023 AGM, Deloitte Accountants B.V. ('DTT') was appointed as external auditor of the Company for a period of four years for the audit of the financial years 2024 up to and including 2027. In 2024, the Supervisory Board appointed DTT as external auditor for the assurance review on the sustainability report of the financial year 2024. Pursuant to the EU Regulation on specific requirements regarding statutory audit of public-interest entities and the audit firms supervision act ('Wet toezicht accountantsorganisaties' or 'Wta'), the external auditor performs his tasks independently from the audit client.

The external auditor attends all meetings of the Audit Committee, as well as the Supervisory Board meeting at which the financial statements are approved. The external auditor receives the financial information and underlying reports of the quarterly results and is given the opportunity to comment and respond to this information. The Audit Committee advises the Supervisory Board, which

communicates the results of this assessment to the General Meeting. The Audit Committee and the Management Board report their dealings with the external auditor to the Supervisory Board annually, discussing the auditor's independence and assessing audit quality.

Pursuant to the Auditors Profession Act, the auditors are prohibited from providing the Company with services in the Netherlands other than 'audit services aimed to provide reliability concerning the information supplied by the audited client for the benefit of external users of this information and also for the benefit of the Supervisory Board, as referred to in the reports mentioned'. During 2024, a minor number of limited-scope non-audit services were provided by foreign member firms of the DTT global network, taking into account the external auditor's independence rules and SBM Offshore's policy in this regard.

INTERNAL AUDITOR

The task of the Group Internal Audit Director and the Group Internal Audit Department (or 'Internal Audit') is to assess the design and operation of the internal risk management and control systems. It assists the Company in accomplishing its objectives by bringing a systematic and disciplined approach to evaluate and improve the effectiveness of the organization's governance, risk management and internal controls. The Management Board is responsible for the Internal Audit function. The Supervisory Board oversees the Internal Audit function and, through the Audit Committee, maintains regular contact with the Group Internal Audit Director. Administratively, the Group Internal Audit Director reports to the CFO. An Internal Audit Plan, based on a risk-based prioritization of the audit universe, is submitted at least annually to the Management Board, then to the Audit Committee for recommendation and, subsequently, to the Supervisory Board for approval. The Internal Audit department reports the results of internal audit activities, and progress compared to plan, to the Management Board, Audit Committee and the external auditor.

The Group Internal Audit Director is responsible for ensuring the independence of the Internal Audit function and its activities. Safeguards to mitigate any risk of lack of independence of the Group Internal Audit Director include direct access to both members of the Management Board, the Audit Committee Chair and the external auditor. The Internal Audit department is governed by adherence to the Corporate Governance Code and the International Professional Practices Framework (IPPF) of the Institute of Internal Auditors (IIA). In 2024, the Internal Audit department was subject to an external quality assurance review performed by the IIA Netherlands. This review found that the Group Internal Audit Department of SBM Offshore
